Protecting Your Well-being During the COVID-19 Outbreak

Physical Well-being

- Wash your hands frequently with soap and water, or use an alcohol-based hand rub.
- Cough or sneeze into your elbow or a tissue. Wash your hands afterwards.
- Regularly disinfect surfaces and objects, such as your desk, keyboard, and phone.
- Avoid close contact with anyone who has a fever, cough, or other respiratory symptoms, such as shortness of breath.
- If you have any concerning symptoms, seek medical care early.

Mental Well-being

- Take a break from the news.
- Practice mindfulness exercises to reduce stress.
- Use technology to check-in with friends and family.

Financial Well-being

- Consider purchasing travel insurance to protect any upcoming trips.
- Pay attention to government travel advisories before booking travel.
- Don't make hasty financial or investment decisions. Talk with your advisor if you have concerns.

If you are struggling with anxiety about COVID-19 or need support, call the assistance program.
