## Physical well-being

To help you take care of your mental, physical, social and financial well-being during this difficult time, we're launching weekly Well-being Wednesday Facebook Live sessions. Each week, we'll focus on a different type of well-being - mental, physical, social and financial – with sessions led by experts in their field. Covering topics like resiliency, coping, social technology, saving and spending tips and home workouts, you won't want to miss a week.
